

Implementation of Defense and Final examination

- You have 40 minutes for the defense.
 - 5 minutes are used for setting up and so on.
 - 20 minutes are used for the presentation.
 - 15 minutes are used for questions and answers.Any person can ask a candidate questions when the Screening Committee permits him(her).
- A candidate needs to bring the time keeper.
- There are microphones, a PC projector and a screen at the defense hall .
A candidate can use other equipment by himself(herself).
If a candidate uses a Mac's PC, he(he) needs to bring a connection.
- On the day of defense, a candidate needs to contact with his(her) Chairperson, Deputy Chairpersons and time keeper and to make sure of their attendance.
- A candidate, the Screening Committee members and the time keeper should gather in the Lecture Room 3 (大学院講義室 3) at M&D tower 11F, 10minutes prior to the defense.
- Any other people can't attend the Defense instead of the Screening Committee members in any reason.
