

To whom it may concern,

## Invitation for Applications for Associate Professor Position

Tokyo Medical and Dental University (TMDU) invites applications for one position in the Institute of Biomaterials and Bioengineering at the rank of Full-Time Associate Professor with a 5 year-term, who can start on April, 2018. Salary follows the TMDU regulation, and you will be paid by stipend.

### 1. Qualifications

TMDU is interested in candidates who are knowledgeable and experienced in the functional design of biomaterials based on supramolecular science as well as polymer science, and eager to design intracellularly acting biomaterials for their practical applications in medical and dental fields. The applicant will be expected to engage research as well as teaching for graduate courses in the Department of Organic Biomaterials (Department Chair: Prof. Nobuhiko Yui). The applicant must hold a Ph.D. in this area. Japanese language proficiency is welcome though not required. Female applicants are particularly encouraged to apply for this position, since TMDU has promoted the Program for Activation of Gender Equity/Gender Medicine and Enrichment of Life since 2008.

### 2. Application Forms

Documents on the following lists must be prepared in Japanese or English:

- (1) Designated application form (Curriculum Vitae, etc.) (free form)
- (2) List of publications (free form)
- (3) List of research grants and patents (free form)
- (4) Reprints of representative publications (one copy per publication, up to 5 papers)
- (5) Summary of previous research contributions (one page of A4 sheet)
- (6) Summary of future research and education plans (one page of A4 sheet)
- (7) Names and contact information of two referees

### 3. How to Apply

Send the above forms and documents by courier to the address below. Specify the title as “application to the Associate Professor position in the Department of Organic Biomaterials”. All information is treated with the strictest confidentiality in accordance with pertinent laws and rules. Once submitted, documents will not be returned to

applicants for any reason.

Prof. Yuji Miyahara, Ph.D.

Director

Institute of Biomaterials and Bioengineering

Tokyo Medical and Dental University

2-3-10 Kanda-Surugadai, Chiyoda-ku, Tokyo 101-0062, Japan

#### 4. Selection Schedule

The 1<sup>st</sup> stage selection by review of application documents: early-December, 2017. The 2<sup>nd</sup> stage selection (for qualifiers only) includes interviews: December, 2017.

#### 5. Period for Application

Applications should be sent to the postal address above by November 24<sup>th</sup>, 2017, Japan Standard Time (applications by postal mail must be posted by this date).

#### 6. Inquiry

Inquiries should be directed to

Prof. Takao Hanawa, Ph.D.
