

To whom it may concern,

Invitation for Applications for Assistant Professor Position

Tokyo Medical and Dental University (TMDU) invites applications for one position in the Institute of Biomaterials and Bioengineering at the rank of Full-Time Assistant Professor with a 3 year-term (reappointment by review), who can start at the earliest after decision. Salary follows the TMDU regulation, and you will be paid by stipend.

1. Qualifications

TMDU is recruiting a successful candidate with knowledge and a background experienced in the field of organic chemistry and peptide chemistry, which is useful in promoting life science researches. The successful candidate is qualified for innovation and development of novel biologically functional molecules, development of enzyme inhibitors, and mid-size drug discovery researches, especially, synthesis of long peptides, cyclic peptidomimetics, phosphopeptides, etc. The applicant will be expected to engage in researches and education for graduate courses in the Department of Medicinal Chemistry (Department Chair: Prof. Hirokazu Tamamura). The applicant must hold a Ph.D. in the areas. Japanese language proficiency is welcome though not required. Female applicants are particularly encouraged to apply for this position, since TMDU has promoted the Program for Activation of Gender Equity/Gender Medicine and Enrichment of Life since 2008.

2. Application Forms

Documents on the following lists must be prepared in Japanese or English:

- (1) Designated application form (Curriculum Vitae, etc.) (free form)
- (2) List of publications (free form)
- (3) List of research grants and patents (free form)
- (4) Reprints of representative publications (one copy per publication, up to 3 papers)
- (5) Summary of previous research contributions (one page of A4 sheet)
- (6) Summary of future research and education plans (one page of A4 sheet)
- (7) Names and contact information of one referee

3. How to Apply

Send the above forms and documents by courier to the address below. Specify the title as “application to the Assistant Professor position in the Department of Medicinal Chemistry”. All information is treated with the strictest confidentiality in accordance with pertinent laws and rules.

Once submitted, documents will not be returned to applicants for any reason.

Prof. Yuji Miyahara, Ph.D.

Director

Institute of Biomaterials and Bioengineering

Tokyo Medical and Dental University

2-3-10 Kanda-Surugadai, Chiyoda-ku, Tokyo 101-0062, Japan

4. Selection Schedule

The 1st stage selection by review of application documents. The 2nd stage selection (for qualifiers only) includes interviews in July, 2019 (to be announced).

5. Period for Application

Applications should be sent to the postal address above by June 28th, 2019, Japan Standard Time (applications by postal mail must be posted by this date).

6. Inquiry

Inquiries should be directed to

Prof. Takamitsu Hosoya, Ph.D.

Institute of Biomaterials and Bioengineering

Tokyo Medical and Dental University
