Dental Support Activities for the Great Eastern Japan Earthquake

Yoko Kawaguchi
DDS, PhD
Professor of Oral Health Promotion, TMDU

ON MARCH 11, 2011. Japan experienced an unprecedented national catastrophe. Japan was simultaneously hit by the biggest earthquake in our recorded history, the Great Eastern Japan Earthquake, the subsequent giant tsunami, and multiple incidents related to the damage suffered by the nuclear power plants in Fukushima.

More than 130 countries and regions, and many international organizations and NGOs extended their help to Japan in this terrible time. TMDU international alumni members also supported Japanese people with generous donations. We express our sincere gratitude to all the people for their friendship and support.

TMDU in cooperation with the Ministry of Health, Labor and Welfare, the Japan Dental Association and academic organizations, have been carrying out dental support activities by sending dentists and dental hygienists to disaster areas where there was no dental equipment such as...
