

LETTER OF AGREEMENT

This document certifies that Chulalongkorn University (CU) in Thailand, the University of Indonesia (UI) in Indonesia, and the University of Medicine and Pharmacy at Ho Chi Minh City (UMP) in Vietnam formally agree to participate actively in the below-described international collaboration project proposed by Tokyo Medical and Dental University (TMDU) in Japan.

Details of the international collaboration project:

Title: Inter-university exchange program toward medical and dental networking in Southeast Asia

Duration: Five (5) fiscal years

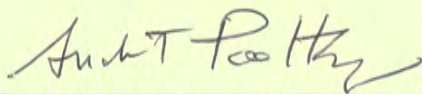

Term: From fiscal year 2012-13 to fiscal year 2016-17 (i.e., until 31 March 2017)

Activities that are to be carried out under this project include the following:

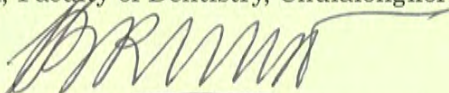

1. Exchange programs for students and faculty members between the four institutions
2. International academic meetings to enhance the knowledge and skills of students and young researchers
3. Global retreats to inspire interest among young people in international exchange conducive to network formation

The deans of Faculties of Dentistry of CU, UI, UMP and TMDU hereby agree to this statement and affix their signatures herewith.
