#### Zooni ぞうに (雑煮)

Zooni is a Japanese traditional new year soup with mochi. There are several variations of ways of cooking zooni. In east Japan, soup is clear and mochi is square. In near Kyoto, soup is white miso and mochi is round. In Shimane and Tottori, soup is clear, mochi is round, and red beans are added. In Kyuushuu, west Japan, soup is clear and mochi is round.
