

Job Opportunity: Assistant Professor in Laboratory of Genome Editing for Biomedical Research

Medical Research Institute (MRI) at Tokyo Medical and Dental University (TMDU) invites applications for a faculty position (Assistant Professor) in the field of Genome Editing for Biomedical Research.

1. Position

Assistant Professor

2. Areas of Research

Cell/animal models provide powerful tools to dissect the molecular mechanisms of human disease. Our aim is to generate cell/animal models of human diseases using CRISPR/Cas tool and to develop tools for safe and effective genome editing. We are seeking highly motivated candidates with a strong background in the related fields. Prior working experience in CRISPR/Cas technology is required.

3. Terms and Conditions of Employment

Full-time position with a contract not exceeding three years period, renewable based on an evaluation according to the rules and regulations of TMDU twice.

Salary will be determined by the annual salary system outlined by TMDU regulations.

****TMDU supports women scientists, foreign researchers and researchers who have engaged in education and research overseas. We encourage them to apply for this position.**

4. Application Forms

- (1) Resume (Curriculum Vitae, etc.) (free form).
- (2) List of publications (free form).
- (3) Reprints of representative publications (up to 3 papers, photocopies acceptable).
- (4) Summary of the representative publications (100 words each).
- (5) List of research grants and patents (free form).
- (6) Summary of previous research contributions and future research and education plans (in 500 words).
- (7) A list of other achievements (Awards etc).

5. Number of copies submitted

5 copies of Application documents listed in section 4 must be submitted to the address written in section 8.

6. Deadline

Applications should be sent to the postal address in section 8 by July 31, 2019, Japan Standard Time (applications by postal mail must be posted by this date).

7. Inquiry

Administration Office
Medical Research Institute
Tokyo Medical and Dental University

E-Mail: mri.adm@tmd.ac.jp

Tel: +81-3-5803-4504

8. How to Apply

Send the documents listed in section 4 by courier to the address below. Specify the title as “Application for the Assistant Professor position in Laboratory of Genome Editing for Biomedical Research.” All information will be treated with the strictest confidentiality in accordance with pertinent laws and rules. Once submitted, documents will not be returned to applicants for any reason.
