

Job offers for Assistant Professor Position

Medical Research Institute (MRI) of the Tokyo Medical and Dental University (TMDU) invites applications for faculty position (Assistant Professor) in the field of Immunology.

1. Position

Assistant Professor

2. Areas of Research

The research in the Department of Immunology focuses on the mechanisms for the antibody responses to glycan antigens and nuclear antigens, and the role of glycan ligands in the regulation of antibody responses. Based on these research activities, we are aiming at elucidating pathogenesis of autoimmune diseases and developing synthetic glycans that modulate antibody responses. We are seeking for a motivated scientist interested in this field and able to contribute to collaborations with industries.

3. Terms and Conditions of Employment

Full-time position with a three-year contract, renewable based on an evaluation, up to twice.

*3rd term contract will end on March 31, 2022.

Salary will be paid and determined by the annual salary system which follows the TMDU regulations.

***TMDU supports women scientists conducting research and encourages them to apply for this position.**

4. Application Forms

- (1) Resume (Curriculum Vitae, etc.) (free form).
- (2) List of publications (free form).
- (3) Reprints of representative publications (up to 3 papers, photocopies acceptable).
- (4) Summary of the representative publications (100 words each). (optional)
- (5) List of research grants and patents (free form). (optional)
- (6) Summary of previous research contributions and future research and education plans (in 500 words). (optional)

5. Number of copies submitted

5 copies of Application forms listed in section 4 must be submitted to the address written in section 8. Alternatively, electric files for the application documents can be send to the email address written in section 8.

6. Deadline

Applications should reach the postal or email address written in section 8 by August 12, 2015, Japan Standard Time.

7. Inquiry

Inquiries should be directed to Prof. Takeshi Tsubata, MD., Ph. D.
