

Job offer for Lecturer Position

Medical Research Institute (MRI) of the Tokyo Medical and Dental University (TMDU) invites applications for faculty position (Lecturer) in the field of Pathological Cell Biology.

1. Position

Lecturer

2. Areas of Research

Our goals: (1) elucidating basic principles of life and clarifying the basic pathogenesis mechanism of intractable diseases, and (2) applying such knowledge to advance medicine and medical treatments. We especially focus on the organelle biology. Highly motivated candidates with a strong background in organelle morphologies, and the ability to develop new methodologies, and a talent for pioneering new and challenging fields are encouraged to apply.

3. Terms and Conditions of Employment

Full-time position with a five-year contract, renewable based on an evaluation.

*2nd term contract will end on March 31, 2024.

Salary follows the TMDU regulation, and you can choose either monthly or annual salary system, which cannot be changed after the appointment.

***TMDU supports women scientists, foreign researchers and researchers who have engaged in education and research overseas. We encourage them to apply for this position.**

4. Application Forms

- (1) Resume (Curriculum Vitae, etc.) (free form).
- (2) List of publications (free form).
- (3) Reprints of representative publications (up to 3 papers, photocopies acceptable).
- (4) Summary of the representative publications (100 words each).
- (5) List of research grants and patents (free form).
- (6) Summary of previous research contributions and future research and education plans (in 500 words).

5. Number of copies submitted

6 copies of Application forms listed in section 4 must be submitted to the address written in section 8.

6. Deadline

Applications should reach the postal address written in section 8 by Nov. 10, 2015, Japan Standard Time.

7. Inquiry

Inquiries should be directed to Professor Shigeomi Shimizu, M.D. & Ph.D.
