

Job offer for Assistant Professor Position

Medical Research Institute (MRI) of the Tokyo Medical and Dental University (TMDU) invites applications for faculty position (Assistant Professor) in the field of Molecular Epidemiology.

1. Position

Assistant Professor

2. Areas of Research

Our group aims to study gene-environment interaction involved in development of common chronic diseases, and our goal is to find genomic and epigenomic biomarkers for preventive medicine. The candidate requires interest in metabolic diseases, and with strong background in either genomic/epigenomic analysis, model animal research, or statistics/bioinformatics analysis. Highly motivated and challenging candidates are welcome to apply.

3. Terms and Conditions of Employment

Full-time position with a three-year contract, renewable based on an evaluation and the contract will end on March 31, 2022.

Salary will be paid and determined by the annual salary system which follows the TMDU regulations.

***TMDU supports women scientists, foreign researchers and researchers who have engaged in education and research overseas. We encourage them to apply for this position.**

4. Application Forms

- (1) Resume (Curriculum Vitae, etc.) (free form).
- (2) List of publications (free form).
- (3) Reprints of representative publications (up to 3 papers, photocopies acceptable).
- (4) Summary of the representative publications (100 words each).
- (5) List of research grants and patents (free form).
- (6) Summary of previous research contributions and future research and education plans (in 500 words).

5. Number of copies submitted

5 copies of Application forms listed in section 4 must be submitted to the address written in section 8.

6. Deadline

Applications should reach the postal address written in section 8 by November 30, 2015, Japan Standard Time.

7. Inquiry

Inquiries should be directed to Prof. Masaaki Muramatsu, MD., Ph. D.
Department of Molecular Epidemiology
Medical Research Institute
Tokyo Medical and Dental University

E-Mail: muramatsu.epi@mri.tmd.ac.jp

8. How to Apply

Send the forms and documents listed in section 4 by courier to the address below. Specify the title as "Application for the Assistant Professor position in the Department of Bio-informational Pharmacology." All information will be treated with the strictest confidentiality in accordance with pertinent laws and rules. Once submitted, documents will not be returned to applicants for any reason.
