

Job offer for Assistant Professor Position

Medical Research Institute (MRI) of the Tokyo Medical and Dental University (TMDU) invites applications for faculty position (Assistant Professor) in the field of Molecular Neuroscience.

1. Position

Assistant Professor

2. Areas of Research

Our goal is to clarify the role of glia in higher brain functions. The ability to work independently as well as a member of a team is required. Highly motivated candidates with strong background in genetic engineering and/or phenotypic analysis are encouraged to apply.

3. Terms and Conditions of Employment

Full-time position with a three-year contract.

Hiring day: July 1, 2016 (negotiable)

Salary will be paid and determined by the annual salary system which follows the TMDU regulations.

***TMDU supports women scientists, foreign researchers and researchers who have engaged in education and research overseas. We encourage them to apply for this position.**

4. Application Forms

- (1) Resume (Curriculum Vitae, etc.) (free form).
- (2) List of publications (free form).
- (3) Reprints of representative publications (up to 3 papers, photocopies acceptable).
- (4) Summary of the representative publications (100 words each).
- (5) List of research grants and patents (free form).
- (6) Summary of previous research contributions and future research and education plans (in 500 words).

5. Number of copies submitted

5 copies of Application forms listed in section 4 must be submitted to the address written in section 8.

6. Deadline

Applications should reach the postal address written in section 8 by March 4, 2016, Japan Standard Time.

7. Inquiry

Inquiries should be directed to Prof. Kohichi Tanaka, MD., Ph. D.
Department of Molecular Neuroscience
Medical Research Institute
Tokyo Medical and Dental University

E-Mail: tanaka.aud@mri.tmd.ac.jp

Tel: +81-3-5803-5846

8. How to Apply

Send the forms and documents listed in section 4 by courier to the address below. Specify the title as "Application for the Assistant Professor position in the Department of Molecular Neuroscience." All information will be treated with the strictest confidentiality in accordance with pertinent laws and rules. Once submitted, documents will not be returned to applicants for any reason.
