

Job Opportunity: Assistant Professor in Developmental and Regenerative Biology

Medical Research Institute (MRI) at Tokyo Medical and Dental University (TMDU) invites applications for a faculty position (Assistant Professor) in the field of Developmental and Regenerative Biology.

1. Position

Assistant Professor

2. Areas of Research

Our goal is to define the molecular basis for the mechanism of organ formation, regeneration, and maintenance using knockout mice and mutant fish. To accomplish this goal, we have focused on defining signaling molecules and pathways that regulate liver and brain formation and maintenance. Our study will provide new insights into understanding the precise molecular mechanisms that underlie organ failures found in human diseases and will lead to the development of new rational therapy for the diseases.

We are seeking highly motivated candidates with a strong background in the related fields.

3. Terms and Conditions of Employment

Full-time position with a contract not exceeding three years period, renewable based on an evaluation according to the rules and regulations of TMDU twice.

*3rd term will end on March 31, 2027.

Salary will be determined by the annual salary system outlined by TMDU regulations.

****TMDU supports women scientists, foreign researchers and researchers who have engaged in education and research overseas. We encourage them to apply for this position.**

4. Application Forms

- (1) Resume (Curriculum Vitae, etc.) (free form).
- (2) List of publications (free form).
- (3) Reprints of representative publications (up to 3 papers, photocopies acceptable).
- (4) Summary of the representative publications (100 words each).
- (5) List of research grants and patents (free form).
- (6) Summary of previous research contributions and future research and education plans (in 500 words).
- (7) A list of other achievements (Awards etc).

5. Number of copies submitted

5 copies of Application documents listed in section 4 must be submitted to the address written in section 8.

6. Deadline

Applications should be sent to the postal address in section 8 by February 28, 2018, Japan Standard Time (applications by postal mail must be posted by this date).

7. Inquiry

Inquiries should be directed to Professor Hiroshi Nishina.
Department of Developmental and Regenerative Biology
