

## **Job Opportunity: Assistant Professor in Epigenetics**

Medical Research Institute (MRI) at Tokyo Medical and Dental University (TMDU) invites applications for a faculty position (Assistant Professor) in the field of Epigenetics.

### **1. Position**

Assistant Professor

### **2. Areas of Research**

Our goal is to establish a novel human biology and medicine by combining genetic and epigenetic approaches. For understanding the molecular basis for development and growth as well as genomic functions behind them, making and analyzing knockout mice as well as organoids from pluripotent stem cells and several methods of molecular biology are necessary, such as gene expression profiling, *in situ* hybridization, immunostaining and fluorescence imaging. We are seeking highly motivated candidates with a strong background in the related fields.

### **3. Terms and Conditions of Employment**

Full-time position with a contract, which will end on March 31, 2021.

Salary will be determined by the annual salary system outlined by TMDU regulations.

**\*\*TMDU supports women scientists, foreign researchers and researchers who have engaged in education and research overseas. We encourage them to apply for this position.**

### **4. Application Forms**

- (1) Resume (Curriculum Vitae, etc.) (free form).
- (2) List of publications (free form).
- (3) Reprints of representative publications (up to 3 papers, photocopies acceptable).
- (4) Summary of the representative publications (100 words each).
- (5) List of research grants and patents (free form).
- (6) Summary of previous research contributions and future research and education plans (in 500 words).
- (7) A list of other achievements (Awards etc).

### **5. Number of copies submitted**

5 copies of Application documents listed in section 4 must be submitted to the address written in section 8.

## **6. Deadline**

Applications should be sent to the postal address in section 8 by March 2, 2018, Japan Standard Time (applications by postal mail must be posted by this date).

## **7. Inquiry**

Inquiries should be directed to Professor Fumitoshi Ishino  
Department of Epigenetics  
Medical Research Institute  
Tokyo Medical and Dental University

E-Mail: [fishino.epgn@mri.tmd.ac.jp](mailto:fishino.epgn@mri.tmd.ac.jp)

Tel: +81-3-5803-4862

## **8. How to Apply**

Send the documents listed in section 4 by courier to the address below. Specify the title as “Application for the Assistant Professor position in the Department of Epigenetics.” All information will be treated with the strictest confidentiality in accordance with pertinent laws and rules. Once submitted, documents will not be returned to applicants for any reason.
