

第8回駿河台国際シンポジウム開催のお知らせ

下記の要領で第8回駿河台国際シンポジウムを開催致します。今回は、東京医科歯科大学が主催する国際サマープログラム 2009「Recent Advances in Cancer Research」との合同企画です。多くの皆様のご参加をお待ちしております。

Wednesday, September 9: International Symposium

09:30 Opening Remarks

09:40 Invited Overseas Speakers

Dr. Charlotte Bevan (Imperial College London, UK)

Dr. Minetta C. Liu (Georgetown University Hospital, US)

Dr. Michael O'Reilly (M. D. Anderson Cancer Center, US)

12:00 Closing Remarks

Joint Program with the 8th Surugadai International Symposium: New Waves in Personal Genomics (organizer: TMDU Medical Research Institute)

13:00 Opening Remarks

Dr. Ikuo Morita (Trustee, TMDU)

13:10 Global Analysis of the Human Stem Cell Epigenome

Dr. David Hawkins (Ludwig Institute for Cancer Research, UCSD, USA)

14:00 Regulation of Alternative Splicing *in vivo*

Dr. Hidehito Kuroyanagi (TMDU)

14:25 Evolution of Olfactory Receptor Genes in Vertebrates: From the Viewpoint of Comparative Genetics

Dr. Yoshihito Niimura (TMDU)

14:50 – 15:10 Coffee Break

15:10 Application of next-generation sequencing technology on cancer genomics and personal genomics

Dr. Yong Zhang (Beijing Genomics Institute, China)

16:00 Genome Epidemiology of Common Diseases

Dr. Masaaki Muramatsu (TMDU)
Chairs: Dr. Shigetaka Kitajima, Dr. Johji Inazawa

16:25 Integrative Genomics and Epigenomics in Cancer

Dr. Issei Imoto (TMDU)

16:50 How Common is Somatic Mosaicism for DNA Copy Number Variations (CNVs)?

Dr. Jan P. Dumanski (Uppsala University, Sweden)

17:40 Closing Remarks

Dr. Shigetaka Kitajima (Director, Medical Research Institute, TMDU)
