Tokyo Medical and Dental University Medical Research Institute Medical Top Track (MTT) Fellow Position

Medical Research Institute invites applications from outstanding scientists for **Medical Top Track (MTT)* Fellow Position** (integrated action initiative for MTT tenure track positions) at any academic rank and tenure status. Rank and MTT tenure status will be commensurate with qualifications and experience. The term will be for 4.5 years with evaluation after approximately 3.5 years to be qualified for faculty position in our institute on a **competitive base**. For more information, please visit http://www.tmd.ac.jp/mri/English/mri_top-e.html, or <http://www.tmd.ac.jp/mri/mtt/mtt.html>.

We seek candidates with strong research records in basic medical fields, commitments to developing independent, innovative, funded research programs, and concerned interests in graduate and medical education.

*** MTT program is supported by Special Coordination Funds for Promoting Science and Technology.**

Review of applicants begins immediately and interviews will continue until positions are filled. Anticipated starting dates are flexible within a period between October and December 2006.

Please submit (preferably electronically) C.V. (including Publications, Grants obtained (please indicate P.I. or member), Awards and invited talks), a 2-4 page description of research accomplishments and plans, and recommendation letters from 3 references (e-mail address required) to: **Dr. Masaki Noda, c/o Ms. Ayumi Nakagawa or Mr. Narumi Kawayanagi, Tokyo Medical and Dental University, Medical Research Institute, "Medical Top Track (MTT) Fellow Program", 3-10 Kanda-Surugadai 2-Chome, Chiyoda-Ku, Tokyo, Japan, 101-0062. Email: naka.mtt@mri.tmd.ac.jp, or n.sen.adm@cmn.tmd.ac.jp Phone (81) 3-5280-8106**
