

3rd International Symposium on Nanomedicine Molecular Science

Toward Medical Biophysics

ナノメディシン分子科学の新展開

Date: November 25th – 26th, 2015

Venue: Koshiba Hall (The University of Tokyo)

Plenary lectures (tentative)

Stefan Seeger (University of Zurich)

Toshio Yanagida (QBiC, Quantitative Biology Center)

Invited lectures (tentative)

James Kah Chen Yong (National University of Singapore)

Takumi Washio (The University of Tokyo)

Takeshi Imamura (Ehime University)

Tomonobu Watanabe (QBiC)
