

Financial support to PhD students of TMDU in 2009

I. General Support

- Housing
 - University guest house (JPY 5,900 (15m²) per month, for up to 12 months)
 - Tokyo International Exchange Center (JPY 35,000 (20m²) and JPY 45,000 (30m²) per month, for up to 24 months)
 - It takes 40 minutes from university to both houses
- Japanese language courses available
- A senior graduate student may be assigned for you personally to aid your life

II. Specific Programs

(1) International Students with Japanese Government Scholarship

- Available for a five-year M.S. & PhD joint course (please note that it must be Master-Doctor course. The fund is NOT available to those who join only PhD course)
- Financial support from the Japanese government
 - Travel expense and monthly allowance (JPY 170,000 in the first year and JPY 160,000 after 13 months in 2008)
 - Not requested to pay the entrance examination, admission and tuition fees

(2) PhD Studentship with Private Fund (specific to Affiliated Universities with TMDU)

- Available for both degrees of Master and Doctor
- Students of universities affiliated with TMDU can apply to this program
- Financial support
 - Approximately JPY 100,000 per month via Research Assistantship
 - Not requested to pay the entrance examination, admission and tuition fees

(3) PhD Studentship with Private Fund

- Available for both degrees of Master and Doctor

(4) Exchange Student

- A short-term exchange less than one year
- Research at TMDU will be considered as part of degree course of your institution.
- Financial support
 - Not requested to pay tuition fee

- Approximately JPY 100,000 per month for a PhD student via Research Assistantship
- Approximately JPY 50,000 per month for a Master Course student via Research Assistantship

(5) Short Visit to Summer School

- About 20 young investigators will be invited from all over the world.
- Financial support from the school
 - Approximately JPY 100,000 will be awarded for your travel expense
 - Not requested to pay Registration Fee
