#### 10. Points to Note regarding Entrance Exams

Be certain to bring your exam admission slip on exam day. Further, please keep it in a safe place, because you will need it for enrollment procedures after successful applicants have been announced.

If you have lost your admission slip, have one reissued by the Admission Section on the first floor of Bldg. 1 West before the exam.

##### ○ Transportation

- Please check in advance what types of transportation are available to get to the exam venue and how long it will take to get there.
- Please take note of the effects of bad weather on transportation facilities and take care not to arrive late.

##### ○ Directions to the exam venue

- Please pay attention to posted notices that show the way to the exam venue on exam day so that you do not go to the wrong place.
- You may only check the exam building before the exam; you may not enter the rooms where exams will be held.

##### ○ Entering and leaving the rooms where exams are held

- Examinees should enter the designated exam room and take their seats 15 minutes before the exam starts.
- Examinees who are carrying cell phones, portable audio players, or other devices should make certain to switch off alarm settings, turn off the power, and place the items in their bag (and not on their person).
- Please follow the instructions of TMDU officials if you arrive late on exam day due to circumstances beyond their control.
- Please have your admission slip with you when you enter the room.
- Please check around the desk to ensure that you do not leave anything behind when you leave the room.

##### ○ Precautions during exams

- All access to areas other than the exam room and designated locations is prohibited.

##### ○ Other points to note

- Please be aware that anyone who fails to take oral exams will fail the entrance exam.
- Parents and others who accompany examinees on the day of the exam will not be able to enter the TMDU campus.  
Please be aware that there may be people offering to check the announcement of successful applicants for you and passing out leaflets in the vicinity, but these persons have no affiliation whatsoever with TMDU.
- Ask a TMDU representative (employee wearing an armband displaying the university's name) if you are unclear about anything else.

#### 11. Others

- If you need special consideration (for example, due to a physical disability), please let us know at the earliest possible time before you make your application.
- If any difference is found between facts and matters as described in your application documents, your enrollment may be canceled.
- Handling of personal information.
  - ① Personal information is collected in the application process and selection process, and may be used to carry out health guidance or education after admission. It will not be used for any other the purposes.
  - ② Regarding personal information collected in the process of selecting entrants, the "National University Corporation Tokyo Medical and Dental University Personal Information Management Rules" will be followed and TMDU will not disclose any such information to third parties without consent of the applicant.
- If the name shown on a certificate in your application package differs from that shown on your application form, be sure to attach proof of your change of name.
- Please address inquiries about the entrance examination to the Graduate School Admission Team, Admission Section.  
Note : Applicants must make inquiries in person.
- Application guidelines are available at TMDU's Admission Section.
- Incomplete application documents will not be accepted, so please take sufficient care when applying.  
Moreover, alterations to application documents that have been accepted are not permitted.
- Documents submitted at the time of the application, will not be returned for any reason whatsoever.

Before you submit your application, make copies of the originals and store them.
