

Report on the Joint International Student Exchange Meeting by Tokyo Medical and Dental University and Juntendo University

Juntendo University hosted the "Joint International Student Exchange Meeting by Tokyo Medical and Dental University and Juntendo University" on Tuesday, December 19, 2023, intending to promote exchange between international and Japanese students of both universities. A total of 132 students from both schools participated in the event.

After opening remarks by Mr. Ogawa, CEO, Juntendo University and President, the International Center (JUIC), Dr. Kanazawa, Acting Director, Institute of Global Affairs, Tokyo Medical and Dental University, and a toast by President Arai, Juntendo University, the event started with a standing buffet style meal. After the program including presentations by students on their study abroad life and learning, and a violin performance by Juntendo University international students, the event was closed with closing remarks by Mr. Kominami, Executive Advisor to the President, Juntendo University.

This was the first time in four years since 2019 that such an exchange event with food and drink was held, but after the two-hour event, students seemed to have become familiar with each other and deepened their friendships.
