

## Report on Tokyo Medical and Dental University/Juntendo University Exchange Event for International Students (Spring Walk in Odaiba)

On Monday, June 3, 2024, Tokyo Medical and Dental University and Juntendo University held the “Tokyo Medical and Dental University/Juntendo University Exchange Event for Foreign Students (Spring Odaiba Walk)” at Odaiba Kaihin Park under the auspices of Juntendo University. 44 students from both schools participated in this event, which aimed to introduce Japanese culture to international and Japanese students from TMDU and Juntendo University.

On the day of the event, after Professor Okita of Juntendo University explained about the local culture of Odaiba and its surrounding area, the students enjoyed a walk around the Odaiba Kaihin Park,

After a presentation on the local culture by Professor Okita of Juntendo University, the students were divided into groups and walked around Odaiba Yokochō, a retro Showa-era town, and other photo spots in the area.

The students seemed to enjoy the atmosphere of old Japanese culture. After the event, the students were in constant communication with each other and seemed to have deepened their friendship.
