

International Student Exchange Event-Autumn 2023(Otsukimi)

The "Tokyo Medical and Dental University/Juntendo University Joint Exchange Event for Foreign Students (Otsukimi)" was held on Friday, September 29, 2023, at the Faculty Lounge on the 26th floor of the Tokyo Medical and Dental University M&D Tower with the aim of introducing Japanese culture to international and Japanese students at both universities. About 50 students from both schools participated in the event.

After Nishijima Junior Associate Professor of Tokyo Medical and Dental University explained about Otsukimi culture, there was an Ikebana demonstration, a mini-bouquet-making experience, Ikebana appreciation, and socializing over sanshoku dango (three-color dumplings), followed by closing remarks from Prof. Ohkita of Juntendo University.

After the one-and-a-half-hour Otsukimi cultural experience, the students seemed to have gotten to know each other and deepened their friendship.

In addition, Wadokai Foundation donated "Sanshoku Dango (three-colored dumplings)" for this event. We sincerely appreciate their warm support.
