

TMDU International Faculty Development Course AY2022

Tokyo Medical and Dental University (TMDU) offers the International Faculty Development Course (IFDC) with the purpose of introducing expertise in clinical dental education at TMDU.

This course for clinical, research and dental education offers you up-to-date dental clinical knowledge and cutting-edge techniques that are often publicized in journals or books. You will have the chance to actually engage in discussions with your peers and build networks.

DATE:

February 7 – 10, 2023

PLACE:

Tokyo Medical and Dental University
1-5-45, Yushima, Bunkyo-ku, Tokyo 113-8510, JAPAN

GOALS OF THIS COURSE:

1. Gain new dental knowledge and new approaches for future treatments/research
2. Consider your clinical cases from a critical perspective
3. Use skills for clinical procedures

CERTIFICATION:

A certificate of completion including hours of study and topics covered will be given to those who attend every assigned session.

COURSE FEE:

100,000JPY (Registration fee (50,000JPY) + Course fee (50,000JPY))

*For the following cases, only the course fee is required:

- 1) TMDU graduates/students;
- 2) Previous IFDC/EECD certificate holders

SCHEDULE:

See attachment

NUMBER OF PARTICIPANTS:

Up to 20

Correspondence:

Institute of Global Affairs (IGA),
Tokyo Medical and Dental
University (TMDU)
Email: kokusai.adm@tmd.ac.jp

APPLICATION QUALIFICATIONS:

1. Educational Background/Research Experience: Only those who have a dental or medical license or are dental school graduates can join this course.
2. Health: Applicants must be in good mental and physical health.
3. Communication Ability: Applicants must have sufficient general knowledge of the subject matter and adequate communication skills in English so as to be able to participate in discussion.

APPLICATION DEADLINE:

Application must be filled out online. Numbers 2 and 3 below must be submitted to the TMDU Institute of Global Affairs by email and be received by November 7, 2022, Japan Standard Time.

APPLICATION DOCUMENTS:

- (1) IFDC AY2022 Application (online form)
- (2) Passport copy (email)
- (3) Dental license copy/proof of graduation (email)

NOTE 1:

Applications submitted after the deadline will not be accepted. In addition, no documents, once submitted, will be returned to applicants for any reason whatsoever. Before you submit your application, make copies of the originals and store them for your safety.

ACCEPTANCE OF SUCCESSFUL APPLICANTS:

- (1) TMDU will announce participants after screening the submitted application documents.
- (2) Acceptance of attendance at TMDU IFDC AY2022 will be announced to invitees by late November 2022. If chosen, an invitation letter and other related documents will be sent around the end of November 2022.

***Handling of personal information:**

1. Personal information collected during the application process will be used only for the purposes of selecting IFDC participants, and enrollment procedures.
2. Personal information collected during the process of selecting enrollment applicants will be handled properly in accordance with TMDU's rules for administering personal information and will not be shown or provided to third parties without the consent of the person concerned.
3. Personal information collected during the process of selecting enrollment applicants will be used for sending you materials from TMDU that may be of interest to you.

*Detailed information on IFDC will be sent to the selected applicants after completion of participant selection.
