Regarding the FY2020 Tokyo Medical and Dental University
Graduation Ceremony and Degree Commencement Ceremony

As a preventive measure for COVID-19, the FY2020 Tokyo Medical and Dental University Graduation Ceremony and Degree Commencement Ceremony will be held two weeks earlier than usual.

In addition, please note that depending on the infection rates at the moment in question, the ceremony is subject to cancellation or postponement. All pertinent updates will be announced on the university's website.

1. Target audience

Graduates of TMDU undergraduate and graduate degree programs

*As a preventive measure, only those students who are graduating can attend the ceremony. Please note that persons other than the graduating students will not be allowed to enter the venue.

2. Date and time

For undergraduate students, the respective ceremony for the Faculty of Medicine and for the Faculty of Dentistry will be held in turn (order to be determined).

March 16th, 2021 (Tue) from 10:00

For graduate students, the respective degree commencement ceremony for the Masters program and for the PhD program will be held in turn (order to be determined).

March 17th, 2021 (Wed) from 13:00

3. Venue

Suzuki Akio Hall (Tokyo Medical and Dental University, M&D Tower, 2F)

4. Other information

Details such as the meeting place for the attendees or the measures to avoid clusters when taking commemorative photographs outside the venue will be announced later on the university website.
