

Dental Education Development

1. Staff and Students

Professor	Ikuko MORIO
Junior Associate Professor	Jun TSURUTA
Graduate Student	Rei MUROGA (since April 2010)

2. Purpose of Education

Main educational goal of this section as part of graduate school is to help students in health care sciences learn the basics of medical/dental curriculum: educational objectives, strategies and evaluation. This section is currently involved in the undergraduate dental education as the coordinators of multiple modules: the PBL-tutorial, the students' research project, and the electives including various English courses for dental students.

3. Research Subjects

- 1) Comparative study of medical/dental education in Japan and overseas.
- 2) Study of research projects for medical/dental students
- 3) Development of English education programs for medical/dental students
- 4) Development of multimedia teaching materials for medical/dental students
- 5) Development of Japanese language learning materials for international students

4. Clinical Services

Clinic of Oral Diagnosis and General Dentistry (Dr. Tsuruta)

5. Publications
