

(University Personnel)

## Pledge

Regarding research activities at this university, I pledge to observe the Standard of Conduct for Research Activities at the Tokyo Medical and Dental University (hereafter the “Standard of Conduct”) and all other regulations of this university, and not commit misconduct, including the misuse of competitive research funding.

Moreover, I pledge to execute proper research activities with the knowledge that if I do commit misconduct in violation of the Standard of Conduct or any university regulations, I will face penalties from the university and agencies distributing competitive funding as well as legal liability.
