

## ■Log in

Please access the following URL and log in “To Safety Confirmation” by PC that you are available to connect to the internet.

URL : [https://asp21.emc-call3rd.jp/tmdu/index\\_en.html](https://asp21.emc-call3rd.jp/tmdu/index_en.html) or [https://asp21.emc-call4th.jp/tmdu/index\\_en.html](https://asp21.emc-call4th.jp/tmdu/index_en.html)

Your login ID is the same as your TougouID. However, the password is to be used as the initial password. (If you get ID after April in 2018, the date of your birth (eight characters long in the Western calendar) is to be used as the initial password.) If you have changed it, it will be managed separately.

And you need to make sure your TougouID by e-mail. E-mail: [tougouid@ml.tmd.ac.jp](mailto:tougouid@ml.tmd.ac.jp)

You can access from the QR code.→

Please enter TougouID and password.
