Feel free to contact us.

The Student Healthcare Center

- aims to support students through maintaining and improving their mental and physical health.
- conducts a medical interview.
- conducts an interview with psychiatrists
- makes referral to nearby medical clinics or hospitals in case of need, as we are unable to prescribe ongoing treatment or medications.
- also makes referral to clinics or hospitals if COVID-19 or flu tests, x-rays or blood tests are needed.

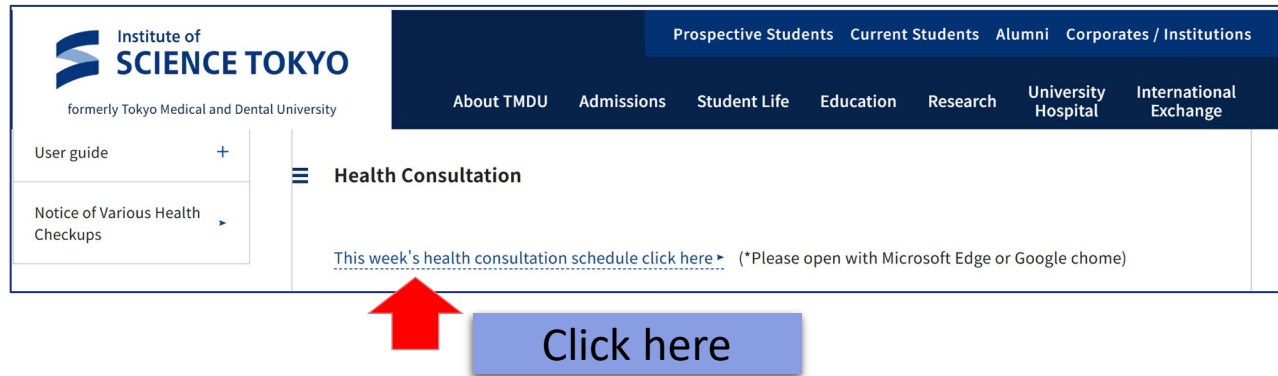

Location: Yushima Student Healthcare Center

**Building 5,
second floor**
