Conduct a medical interview and make referrals as needed.

Referral to a hospital as we are unable to prescribe ongoing treatment or medications.

Location: Health Administration Center

Building 5, second floor

Date and time of health consultation

The screenshot shows the TMDU website homepage. At the top left is the TMDU logo, a circular emblem with a stylized flower. To its right is the text 'TMDU TOKYO MEDICAL AND DENTAL UNIVERSITY'. Further right are links for 'Change Text Size' (with buttons for S, M, L), a 'Google Custom Search' box, and a 'Japanese' language selector. Below these are navigation links: 'Contact', 'Site Map', 'Access Map', and 'Campus Map'. A dark blue horizontal menu contains the following categories: 'About TMDU', 'Admissions', 'Student Life', 'Schools & Graduate Schools', 'Research Institutes & Library', 'University Hospitals', 'Research & Industry Collaboration', and 'International Exchange'. The main banner features a photograph of the university's modern glass and concrete buildings. Overlaid on the image is the TMDU logo and the Japanese text '知と癒しの匠を創造し、人々の幸福に貢献する' (Creating masters of knowledge and healing, contributing to the happiness of people), with its English translation 'Cultivating Professionals with Knowledge and Humanity, thereby Contributing to People's Well-being'. Navigation arrows are visible on the left and right sides of the banner. At the bottom of the page is a horizontal menu with icons and labels for: 'Prospective Students', 'Current Students', 'Alumni', 'Medical Hospital Visitors', 'Dental Hospital Visitors', 'Corporates / Institutions', and 'General Visitors'.

▶ New Information

▶ Staff Introduction

Health Administration Center

Feel free to contact us.

The Health Administration Center is aimed at supporting students to maintain and improve their mental and physical health. The center is located on the second floor of Building 5 on the Yushima Campus, but there is also a branch on the first floor of the Champ de Causerie on Kounodai Campus, assuring students to lead healthy lives on campus.

What kind of help is available?

1) Health Consultation:

Consultation for students and staffs is available as shown in Table 1.

If you are troubled mentally, you may seek professional advice through a specialist on duty. The doctors at the center are specialists of the University. They will help you from various aspects.

Also, height and weight measurement, and blood pressure checks are free at any time.
