

To whom it may concern,

Invitation for Applications for Assistant Professor Position,  
Department of Metallic Biomaterials, Division of Materials Science Research,  
Laboratory for Biomaterials and Bioengineering (LBB), Institute of Integrated  
Research.

### 1. Position

Assistant Professor

### 2. Area of Research

The Department of Metallic Biomaterials, led by Professor Masaaki Nakai, conducts research on the design and development of biomedical metallic materials and devices. We are seeking a motivated researcher with a strong interest in the scientific principles governing microstructure evolution in both bulk and surface regions of materials, as well as interactions between materials and biological tissues. The ideal candidate will also demonstrate a commitment to student education. Applicants must hold a Ph.D. or be expected to obtain one by the time of appointment. Proficiency in the Japanese language is preferred but not required.

### 3. Conditions of Employment

- Employment Status: Full-time (fixed-term faculty based on the employment regulations of Institute of Science Tokyo)
- Date of appointment: As early as possible after August 1, 2026.
- Term of employment: 3 years.

Reappointment may be possible up to 2 times after performance review. (Up to 10 years from the date of the first appointment. If appointed on August 1, 2026, until July 31, 2036). The retirement age is 65.

- Probationary period: 6 months from the date of appointment
- Salary: Salary will be determined by the annual salary system outlined by Science Tokyo regulations.
- Work Location : Laboratory for Biomaterials and Bioengineering, Institute of Integrated Research, Institute of Science Tokyo, 2-3-10 Kanda-Surugadai, Chiyoda, Tokyo 101-0062, Japan

- Others: Science Tokyo promotes support for female researchers and expects active application from female researchers. Various efforts are being made to enable all faculty

members to balance their research activities with life events such as childbirth and childcare.

We also welcome applications from non-Japanese researchers, researchers who have obtained their degrees abroad, and researchers who have been involved in education and research in foreign countries.

- Status of measures to prevent second-hand smoke : No smoking on the premises.

#### 4. Application Forms

Documents on the following lists must be prepared in Japanese or English:

- (1) Designated application form (Curriculum Vitae, etc.) (Free form of A4 sheet)
- (2) List of Academic Research Activities (Form No.2) (Word)
- (3) Assistant Professor Applicant Information for the Department of Metallic Biomaterials (Summary) (Form No.3) (Excel)
- (4) Reprints of representative publications (one copy per publication, up to 3 papers)
- (5) Summary of previous research contributions (one page of A4 sheet)
- (6) Summary of future research and education plans (one page of A4 sheet)
- (7) Name and contact information of one referee (Free form of A4 sheet)

#### 5. How to Apply and Deadline

All the application documents must be sent to Administration Office, to apply, please let us know the following [contents] at [zaikensoumu.adm@tmd.ac.jp](mailto:zaikensoumu.adm@tmd.ac.jp)

Please contact us by e-mail until May 18, 2026 (Mon), Japan Standard Time.

We will send the URL and manual for submission to the university to the "destination email address".

The deadline for all the application documents is May 19, 2026 (Tue), Japan Standard Time.

[Description]

- Subject: "Public recruitment of faculty members (Assistant Professor) in the Department of Metallic Biomaterials"
  - Text: full name, affiliation, and destination email address/phone number
- All information will be treated with the strictest confidentiality in accordance with pertinent laws and rules.

#### 6. Inquiry

Inquiries should be directed to

Prof. Akira Matsumoto, Ph.D.

Department of Organic Biomaterials

Laboratory for Biomaterials and Bioengineering (LBB)

Institute of Integrated Research,

Institute of Science Tokyo

e-mail : [matsumoto.bsr@tmd.ac.jp](mailto:matsumoto.bsr@tmd.ac.jp)
