

**TMDU International Faculty Development Course (Online)
AY2021**

Tokyo Medical and Dental University (TMDU) offers the International Faculty Development Course (IFDC) with the purpose of introducing expertise in clinical dental education at TMDU, as part of the Project for Promoting Global Dental Education and Research Bases to Southeast Asia.

The course for clinical, research and dental education offers you up-to-date dental clinical knowledge and cutting-edge techniques that are often publicized in journals or books. You will have the chance to actually engage in discussions with your peers and build networks.

IFDC AY2021 will be offered online.

The online version consists of on-demand video lectures and LIVE sessions via a web conferencing system by Tokyo Medical and Dental University (TMDU).

STYLE:

On-demand video lectures + Live discussion sessions via a web conferencing system (Zoom)

GOALS OF THIS COURSE:

1. Gain new dental knowledge and new approaches for future education/treatment /research
2. Consider your clinical cases from a critical perspective

CERTIFICATION:

A certificate of completion including hours of study and topics covered will be given to those who attend every assigned session.

REGISTRATION and COURSE FEES:

JPY 60,000 (Registration fee (JPY 50,000) + Course fee (JPY 10,000))

*Registration fee is a one-time charge that covers all IFDC and EECD courses.
