

## **Job Opportunity: Assistant Professor in Department of Structural Biology**

Medical Research Institute (MRI) of Tokyo Medical and Dental University (TMDU) invites applications for a faculty position (Assistant Professor) in the field of structural biology.

### **1. Position**

Assistant Professor

### **2. Areas of Research**

The research aims of Department of Structural Biology are to contribute to elucidation of cause of diseases and development of drugs through the structural analyses of biological macromolecules such as proteins and nucleic acids.

In this recruitment, we seek a researcher who has an interest in structure determination of proteins and their complexes by X-ray crystallography, with a strong background in the related fields such as protein overexpression and purification, protein chemistry and analyses of intermolecular interactions.

Such a researcher should also have sufficient experience in postgraduate research supervision.

### **3. Terms and Conditions of Employment**

Full-time position with a contract, which will start July 1, 2021, not exceeding third years period, renewable based on an evaluation according to the rules and regulations of TMDU twice. The third term will be up to March 31, 2029 and will not be renewed.

Employment trial period: 6 months from the date of employment.

Salary will be determined by the annual salary system outlined by TMDU regulations.

Female applicants are strongly encouraged to apply for this position, as TMDU promotes gender-equality work environment. We provide career support programs for all staff that enable them to balance work and life, such as childbirth and child rearing.

### **4. Application Forms**

- (1) Resume (Curriculum Vitae, etc.) (free form).
- (2) List of publications (free form).
- (3) Reprints of representative publications (up to 3 papers, photocopies acceptable).
- (4) Summary of the representative publications (100 words each).
- (5) List of research grants and patents (free form).
- (6) Summary of previous research contributions and future research and education plans (in 500 words).
- (7) A list of other achievements (Awards etc).

### **5. Deadline**

May 14, 2021, Japan Standard Time.

## **6. Inquiry**

Administration Office, Medical Research Institute, Tokyo Medical and Dental University

E-Mail: [pr.mri.adm@tmd.ac.jp](mailto:pr.mri.adm@tmd.ac.jp)

Tel: +81-3-5803-4504

## **7. How to Apply**

All the application documents must be sent to Administration Office, to apply, please enter the following [contents] at [pr.mri.adm@tmd.ac.jp](mailto:pr.mri.adm@tmd.ac.jp)

Please contact us by email by May 12, 2021 (Wednesday).

We will send the URL and manual for submission to the university to the "destination email address".

[Description]

- Subject: "Public recruitment of faculty members (Assistant Professor) in the Department of Structural Biology "
- Full name
- Destination email address "Application for the Assistant Professor position in the structural biology." All information will be treated with the strictest confidentiality in accordance with pertinent laws and rules.
