

# The 3<sup>rd</sup> Japan-Taiwan Symposium on Nanomedicine

March 8-9, 2012

Main hall, Kyoto International Community House, Kyoto

## March 8 (Thu) *Joint symposium with “Nanomedicine Molecular Science”*

Invited speaker      Hidetoshi Kotera (Kyoto University)  
Andrew David Miller (King’s College London)

Plenary lecturers    Chia-Fu Chou (Academia Sinica)  
Kazuhiko Ishihara (The University of Tokyo)  
Hideo Higuchi (The University of Tokyo)  
Hiroo Iwata (Kyoto University)

Speakers              Peilin Chen (Academia Sinica)  
Chia-Hsien Hsu (National Health Research Institutes)  
Wei-Hau Chang (Academia Sinica)  
Teruyuki Kondo (Kyoto University)  
Gou-Jen Wang (National Chung-Hsing University)

## March 9 (Fri)

Plenary lecturers    Feng-Huei Lin (National Taiwan University)  
Yuh-Lin Wang (Academia Sinica)  
Tsuneo Urisu (Nagoya University)

Speakers              Chiung Wen Kuo (Academia Sinica)  
Chih-Wei Chou (China Medical University)  
Guo-Chung Dong (National Health Research Institutes)  
Naoki Tanaka (Kyoto Institute of Technology)  
Yusuke Arima (Kyoto University)  
Koichi Kato (Hiroshima University)

## Sponsors

- Scientific Research on Innovative Areas  
“Nanomedicine Molecular Science”, MEXT
- Terumo Life Science Foundation

Venue: Kyoto International Community House  
<http://www.kcif.or.jp>

Registration fees: free
